11. **COURSE SET-UP:** After consulting the host golf professional (or head of the host tournament committee), the Project officer makes final decision on course set-up to include pin placement, tee placement, and speed of green:

- a. **Pin Placement:** The Project Officer selects and marks (with a dot of spray paint) the pin placement for the next day. Project Officer will consider the slope of the green, speed of the green, and overall difficulty.

There should be no “Unfair” pin selection to “Trick up the Course”. Every pin placement should give the good player a fair chance two-putting to hole. In general, a relatively flat area of 5 feet or more should surround the cup, unless totally prevented by the shape and contour of the green. Each day's pin placements should feature 6 easy, 6 medium, and 6 difficult pin placements. A pin place sheet is prepared daily to show the placement of the pin in relation to the center of the green.

b. Tee Marker Placement: Tees are moved daily to provide for a variety of shots required for each hole throughout the tournament.

**12. INFORMATION PROVIDED TO PLAYERS:** The same course information will be provided to all players from each Service, including the daily sheets depicting pin locations, and a hole-by-hole graphic booklet.

**13. PRACTICE ROUNDS:** Each Service team is allowed an equal number of practice rounds prior to the start of the tournament.

**14. FORMS AND ROSTERS:** All Higher Level Advancement forms and Service Team Rosters for the Armed Forces Championship must be turned into the Host Project Officer at the Organizational Meeting.
